

GUIA DE BOAS PRÁTICAS

O uso de máscara por suas máscaras e um álcool gel, sua higienização, higienizado, ao sair, descarte o emvascamento imediatamente.

A máscara que você está recebendo tem alta poder de filtragem e maior durabilidade para uso contínuo. Se for uma por 30 dias, todos os dias, não se esqueça de lavar as mãos com o sabão e água, de 20 a 30 segundos.

É importante que as máscaras sejam usadas corretamente, desde o modo de colocá-la até o modo de retirá-la.

MÁSCARA É A FORMA MAIS SEGURA DE SE PROTEGER E PROTEGER AO PRÓXIMO.

Estamos disponibilizando por todo o evento botões de álcool gel através de stands.

Durante o networking mantenha o distanciamento recomendado de 1,5m.

As medidas de circulação no Foyer estão consideradas de acordo com esta necessidade, e além sua máscara não se esqueça de manter distância de 1,5m entre as pessoas, utilize cadeiras vazias.

Caso necessite de Equipamentos de Proteção para palestras em outros locais, solicite através da organização, indicamos a seguir.

Qualquer necessidade, contate nossa equipe no campo para assistência.

BOA EVENTO!

Security Protocols against COVID 19

Hybrid Event

November 25 - 27, 2021

Marina da Glória - Rio de Janeiro

October 21st 2021

How happy we are with the return of Green Rio in person. However, it is still necessary to adopt care based on sanitary protocols against COVID-19. As we are all concerned about everyone's health and well-being, let's take preventive measures, as detailed below. These procedures will be updated according to the protocols of the competent authorities, so they are preliminary.

| Procedure | Admission | Condition Status |
|------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------|
| Temperature measurement at the entrance to the event | Only those below 37,5 °C | Confirmed |
| Hand hygiene | Availability of 70% alcohol gel at the entrance and in other places. | Confirmed |
