

FIRST JOINT CALL FOR PROPOSALS – BRAZILIAN-GERMAN COOPERATION IN BIOECONOMY

Carina Lemke, 08.10.2020
Agency for Renewable
Resources (FNR)

Source: FNR/Dr.Peters

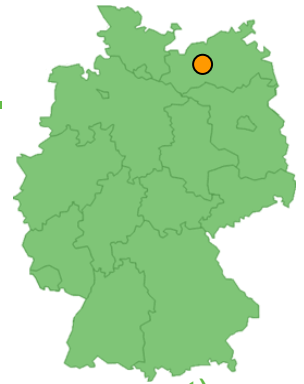

Federal Ministry
of Food
and Agriculture

Fachagentur Nachhaltige Rohstoffe e.V.

Fachagentur Nachhaltende Rohstoffe e. V.

Agency for Renewable Resources

- **TASKS:**
 - Promotion of research, development and demonstration (project management)
 - Information & advice
 - Public relations
 - International and EU activities
- International dimension and experience so far via participation in EU ERA-NETs (e.g. CoBioTech, ForestValue)
- Bilateral cooperation with Brazil for several years, but this is the 1st joint call
- Workshop in Manaus on medical plants on 21 May 2019 paving the way for 2nd thematic area of the call

Funding via BMEL/FNR

- Funding via BMELs funding programme „Renewable resources“
- Programme has national focus in the 1st place
- **Funding possible in both thematic areas of the call:**
 - **Industrial use of renewable resources**
 - **Medicinal and aromatic plants**
- **APPLICANTS: *Please get in contact as early as possible to check eligibility of your project idea!***
